November 21, 2025: On Those Things that May Not be Revealed

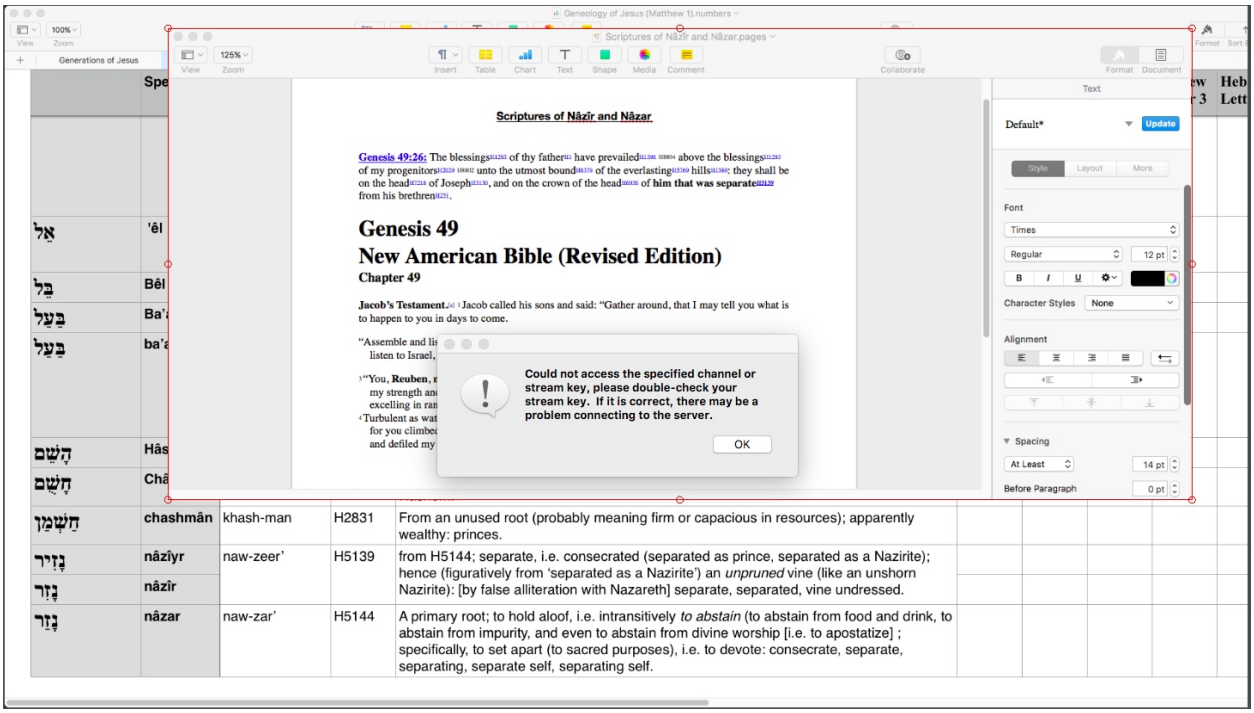
If the Messiah is the one that reveals the deepest mysteries of the Bible, then I am experiencing that the deepest mysteries of the Bible are actively being prevented from disclosure in the public forum.

Today, I began the Biblical proof of the Nazirite vow being an evil offshoot of Judaism; and of proof that the Nazirites were the persecutors of Jesus Christ.

My livestream account is now locked for a violation of their terms of service so I will continue to post here until the 'powers' of Nazi protection eliminate this account as well.

I am recording this information and posting it publicly to show and explain how this 'secret' society is growing itself - privately - without our ability to reveal it.

This is happening in the year 2025 in the United States of America.

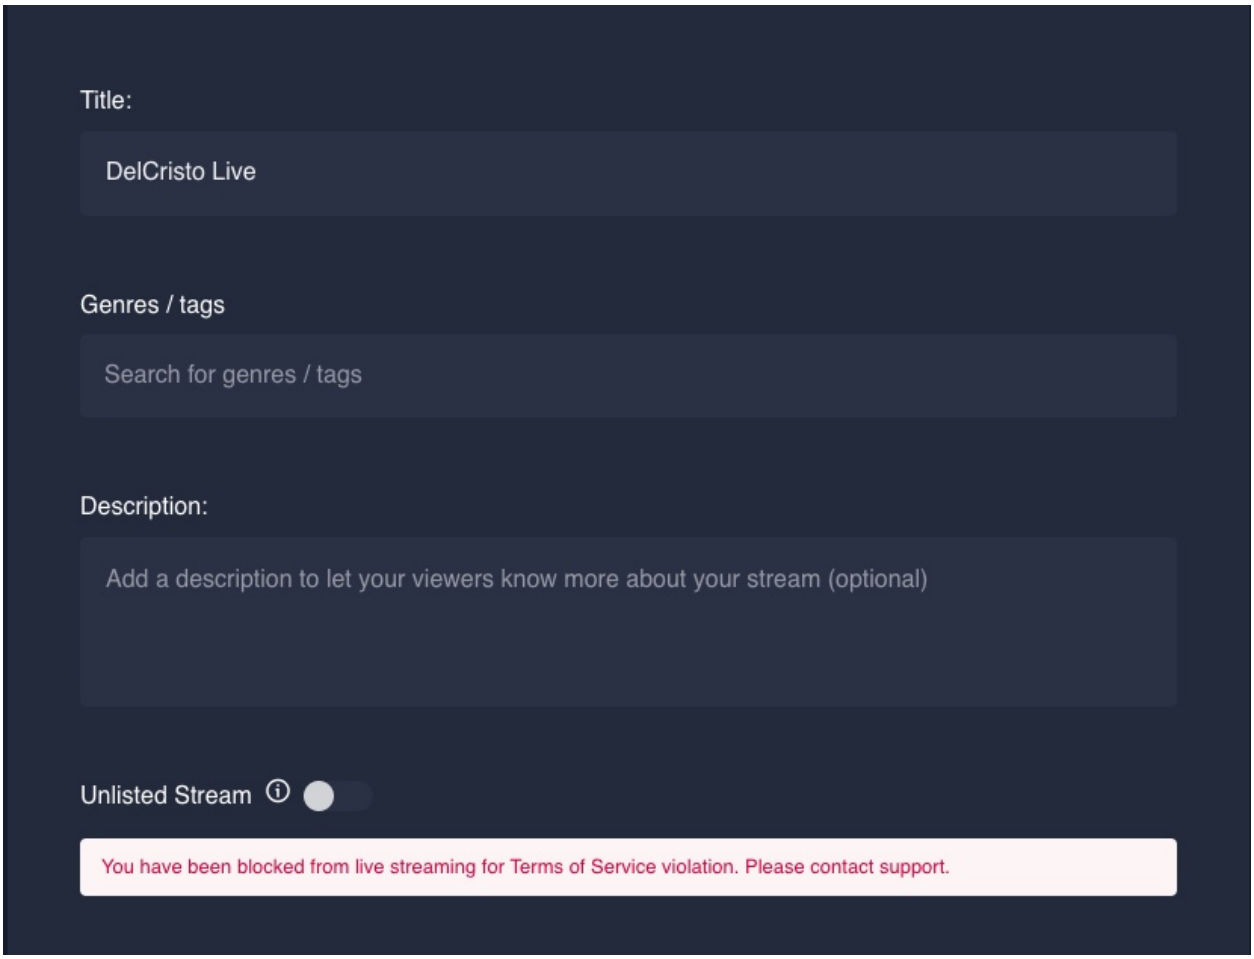


חַשְׁמַן	chashmân	khash-man	H2831	From an unused root (probably meaning firm or capacious in resources); apparently wealthy: princes.
נָזִיר	nâzîyr	naw-zeer'	H5139	from H5144; separate, i.e. consecrated (separated as prince, separated as a Nazirite); hence (figuratively from 'separated as a Nazirite') an *unpruned* vine (like an unshorn Nazirite): [by false alliteration with Nazareth] separate, separated, vine undressed.
נָזִר	nâzîr			
נָזַר	nâzar	naw-zar'	H5144	A primary root; to hold aloof, i.e. intransitively *to abstain* (to abstain from food and drink, to abstain from impurity, and even to abstain from divine worship [i.e. to apostatize] ; specifically, to set apart (to sacred purposes), i.e. to devote: consecrate, separate, separating, separate self, separating self.

For the record, my voice is being 'cut' in every outlet as I am being held inside of a private 'bubble of oppression' that is composed of a maniacal spying presence that is also using real people to drive cars around my home 24 hours a day, 7 days a week.

Please help spread the word, because this is clearly an abuse of our ability to bring God's actual truth into the world.

(Regardless of what ‘technical violation’ is being used to justify the suppression of my personal speech, I am presenting to the world that it is only ‘selected’ voices that are being oppressed, suppressed, and silenced. Other voices are being grown like an ‘unpruned vine’ to infect the world with an evil and improper opinion. This is a Biblical phenomenon known as Nazi-ism.)



I am being spied upon by a network of people that are using every power that they can to cause me harm, to disrupt my speech, to report me to authorities, and to generally accuse and persecute me at any opportunity that they can find, see, or create.

Welcome to the present moment of the United States of America.
